

**CURRICULUM VITAE**  
**of**

***Date of Birth:*** 24.11.61  
***Marital Status:*** Married with two children  
***Nationality:*** French

---

**SUBSEA ENGINEER**

**Nationality:** French

**Languages :** English, fluent / professional fluent/ conversational  
Italian school conversational level  
Spanish school conversational level  
Portuguese conversational level

**Computer skills :** Word, excel, visio, maximo, auto cad (Computer Assisted Maintenance)  
20 years of computer experience

**Education :**

**1977** French BEP-CAP (main engines, hydraulic, pneumatic)  
**1979/1980** French baccalaureate level (F) High juniors school - Costebelle Hyères (France)

**1981/1982** Improver's course in IUT Aix En Provence (DUT technical degree in Mechanics & Production engineering)

**Training :** Maritime Hydraulics (2000) Norway  
Cyber base Hytec ( 1999/2000 ) Norway  
IWCF (1998/2000/2004/2006) France  
Maximo (2001/2004/2007) France  
Girasol deep water well (2002/2004) France

Caterpillar engine ( 1983/1986) France

Cameron wellhead and BOP System (2003/2006) Houston  
Fmc konsberg wellhead system (2000) interface with pride bop system.  
Norway/Angola

Dalia deep water well Angola (2005)  
Maritime Hydraulics (2006) Norway  
Aker kvaerner wellhead system(2005/2006) interface with pride bop system.  
Norway/Angola

**Safety** Supervisor Safety(1992) Safety Focus(2001/2004)  
**Training :** Sea survival/ fire fighting (1983/1987/1991/1995/2000/2003/2005/2009 )  
All types requested by miscellaneous client

### **Presentation:**

Extensive offshore experience in the operation and commissioning of MUX BOP/XMAS tree control Systems. Also experienced with sub-sea and workover control systems. All experience gained In European and Worlwide Sectors.

Several years' offshore experience comprising of sub-sea workover riser systems and sub-sea control systems, including pressure testing, function testing, fault finding, trouble shooting repair and system maintenance.

I had the responsibility for the sub sea blow out preventer ,risers system and equipment and all hydraulic equipment using on board, the dynamically-positioned drill ships and semi submersible drilling platforms (Amythist, deep water drillships) based in Southern Africa(Angola), Philippines, Southeast Asia ( Vietnam, Malaysia ).

### **Professional Experience:**

06/10 ***Subsea Superintendent on ultra deep water drill ship (ETESCO 8 project,in SHI Goeje***  
To date ***Korea)***

02/07 ***Subsea Superintendent on ultra deep water drill ship (Aban Abraham***  
To date ***project,Ex Peregrine3) commissioning and upgrading in***  
***Singapore with forums services, BOP trials and subsea***  
***equipments commissioning in cape town (RSA),end of***  
***commissioning phases and starting of drilling operations***  
***in Ghana for kosmos energy and Equatorial Guinea with***  
***Petro SA. In charge of new subsea project for future***  
***Petrobras contract for Aban Abraham drill ship***

***In charge of new upgrading (bop and associated replacement) in Mobile(Alabama)shipyard on Aban Abraham for Petrobras new long term contract***

---

12/1998  
01/07

***SUBSEA SUPERVISOR ON ULTRA DEEP WATER DRILLSHIPS PRIDE AFRICA, PRIDE ANGOLA. INCLUDING THE PROJECT AND THE CONSTRUCTION IN ULSAN KOREA.FOR TOTAL***  
***I AM WORKING ON THE GIRASSOL AND DALIA FIELD IN ANGOLA ,MOVED TO TECHNICAL DEPT SINCE FEBRUARY 04, IN CHARGE OF SUBSEA EQUIPMENT AND MATERIAL FOR ALL RIGS IN EASTERN HEMISPHERE (semi submersible and drill ships)***
